

## Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of **Monday, January 22<sup>nd</sup>** through **Saturday, January 27<sup>th</sup>**.

**Here are some announcements for this week ...**

- This year, juniors can choose to take the SAT written test for free on the April 10<sup>th</sup> test day. Students wanting to add the essay must register online or by phone with College Board by 10:00 p.m. (Mountain Standard Time) on Wednesday, February 14<sup>th</sup>. See the attached flyer with this week's announcements on how to register or talk with your counselor.
- On Thursday, January 25<sup>th</sup> at 6:30 p.m., Conifer will host an informational night for students and parents about preparing for this spring's State PSAT and SAT tests. Working with Precision Testing Organization, students and parents will learn about tactical test taking strategies that have proven to help students achieve significant growth on the PSAT and SAT test. Don't miss this opportunity!
- On Saturday, January 27<sup>th</sup>, the Conifer Interact Club is hosting a fundraising dinner at Our Lady of the Pines Church. All funds go toward building a playground for a village orphanage in southwest Kenya, Africa. Join them for an Italian dinner with dessert and adult beverages will be available. Tickets

are available online (<https://coniferinteract.weebly.com/projects.html>) or in the Conifer main office. Please help support their international service project.

- On Friday, February 16<sup>th</sup> at 7:30 a.m. we host the Academic Awards Ceremony in the Conifer Gymnasium. We encourage parents to join us as we celebrate the achievement of our students.
- “Dig for Dinosaurs” is a free event open to young adults 14 to 21 years of age on how to get involved with the Morison Natural History Museum. We will share what it takes to run a museum, how to work on and discover real fossils, and you can work toward the opportunity to go out and participate in a real Dig. Who Knows maybe you will discover something new? This interactive workshop will be held:

February 20<sup>th</sup>

At the Morison Natural History Museum

(501 CO-8, Morrison, CO 80465)

5:30 - 6:30 p.m.
