• Congratulations to Conifer High School’s DECA Chapter for an incredible year! If you are not familiar with DECA, it is an international association of marketing students that is 220,000 members strong with competitions at
the local, state and international levels. We are especially proud of the 13 Conifer High School DECA students whom just returned from a 6-day trip to Orlando, Florida to represent our Conifer community as they competed in their qualifying events with 22,000+ other DECA students from around the globe in the International Career Development Conference (ICDC). At ICDC, each event consisted of 220 to 350 competitors who all had to qualify in the top 5% of competitors in order to compete at the international level. Conifer DECA’s competitors were:

**TOP 10 in the World and Top Role Play - Gian Meyer** in Personal Financial Literacy

**Finalists (TOP 18 in the World) - Brian Sherry and Casey Sadowski** in Financial Team Decision Making
