

Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of Monday, November 15th through Saturday, November 20th.

Here are some important announcements...

Driving on School Grounds	<p>With the increased number of students and parents driving to school this semester, we've had an uptick in car accidents after school, especially along the driveway and in the parking lots. To prevent head-on collisions or sideswipes, only buses and vehicles approved by campus supervisors are allowed to drive in the left lane during the afternoon pick-up. In addition, parents and students should use caution while driving in the student and library parking lots. Avoid driving quickly through the parking lots so that drivers backing up have time to react.</p> <p>Remember: Don't be in a hurry, leave early!</p> <p>Thanks!</p>
