First Day of School Announcements

Here's an announcement for today …

<div>

How did it go?

As we all experienced this morning, there will be a few technology hiccups as we start the school year. Thankfully the Conifer staff and our students were able to work through the technical glitches and move forward. That's what Lobos do!

As we settle in for the next two weeks of remote learning, it is vitally important that **ALL** students logged into their classes every school day at the beginning of each class. That means every day, whether it's Green, Silver or Conifer day.

In addition, please make sure your child is prepared to learn by dressing appropriately for school and sitting in a quiet place (without background noises and distractions).

If your child is experiencing internet issues at home, encourage them to call the phone number associated with the Google Meet or Zoom class session. If you don't see a number, please email their teacher.

For more information on getting the most out of the online learning experience, please clink on this **Link** for step-by-step instructions for remote learning and much more!

Thanks!!!
Principal Paxton
