

Dear Conifer High School Families,

Vision and Hearing Screening for 9th grade students, students new to the district, and other students, as required, will occur on March 2 for A cohort students and March 4 for B cohort students.

Due to the COVID-19 pandemic, vision and hearing screening at your students school will be conducted in accordance with the Colorado Dept. of Education and CDPHE's updated safety guidelines.

Additionally, families have the choice to "opt out" of vision and hearing screening for this school year. Please indicate below if you would like to opt out of screening your child for the 2020-21 school year.

Remote Learners:

If you have a student that is participating in full remote learning, please call your school at 303-982-5230 to set up an appointment for vision and hearing screening on 3/2/21 or 3/4/21. You may also complete the vision and/or hearing survey and return to school at your convenience.

Thank you very much,

Jeffco Schools Department of Health Services
