

Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of **Monday, November 9th through Saturday, November 14th.**

Here are some announcements for this week ...

Keep Strong and Keep Focused

I'm so proud of our Conifer students! They have been working really hard in this hybrid and remote learning models and my staff wants to make sure they have a successful completion of their fall semester. To help every student succeed, our counselors, teachers, and administrators are working hard to help students catch up. Parents can help us by frequently checking your child's grades and helping them prioritize important assignments. We have only 6-weeks left in the semester, so please help us keep your student motivated. Email teachers, counselors, or administrators if you are concerned about your child's grades.

Veteran's Day

Veterans Day is a time for us to pay our respects to those who have served. For one day, we stand united in respect for you, our veterans.

This holiday started as a day to reflect upon the heroism of those who died in our country's service and was originally called [Armistice Day](#). It fell on November 11th because that is the anniversary of the signing of the Armistice that ended World War I. However, in 1954, the holiday was changed to "Veterans Day" in order to account for all veterans in all wars.

We celebrate and [honor America's veterans](#) for their patriotism, love of country and willingness to serve and sacrifice for the common good.
