Bus Transportation Update

Jeffco Transportation is preparing to provide service for eligible riders. In addition, bus drivers have been directed not to accept bus permission slips from students. For more information on bus pick up/drop off times and locations, please visit Transfinder at <http://www.infofinder.com/ifi/?cid=JPS2F2M211EY>. You'll need to type your address in the search box to find your child's assigned bus route. If your child does not have an assigned bus stop, you should contact West Transportation Center to determine their eligibility at 303-982-5215.
