Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of Monday, April 26<sup>th</sup> through Saturday, May 1<sup>st</sup>.

**Here are some important announcements...**

<p><b>End of the Year Events and Jeffco Public School Health Guidelines</b></p>	<p>As we approach the end of the year, there are several traditional end of the year events our students look forward attending. Their participation seriously depends on following the county health guidelines and using common sense. I would strongly encourage Conifer students aged 16 years of age and older to get their Pfizer vaccine shot as soon as possible.</p> <p>Upcoming Pfizer vaccine events:</p> <ul style="list-style-type: none"> <li>• Disability Community Vaccine Clinic is hosting a vaccine event on Thursday, April 29<sup>th</sup> at PASCO Office. Visit their website at <a href="https://pascohh.com/events/pasco-vaccine-drive-thru-clinic-429/">https://pascohh.com/events/pasco-vaccine-drive-thru-clinic-429/</a> to register for this vaccine location.</li> <li>• STRIDE Community Health is hosting a drive through vaccine event on Friday, April 30<sup>th</sup> at Jeffco Stadium. Visit their website at <a href="https://stridechc.org/covid-19/">https://stridechc.org/covid-19/</a> to register for this vaccine location and other locations.</li> </ul> <p>Students that test positive or who are quarantined, during the date of a school event, will not be permitted to attend award ceremonies, Prom nor Graduation. Our seniors have worked hard to participate in these events, so please take common sense steps to participate.</p>

<b>April Digital Citizenship Family Letter</b>	<p>This month's digital citizenship lessons revolve around social media and teens' digital footprint. Families, please be aware and have a conversation with your child about who they are chatting with on their social media sites (Pinterest, Snapchat, Instagram, etc.), since all allow for direct private messaging and private chat groups within. Jeffco Sheriff department continues to investigate child predators in our area who are on social media sites like Pinterest where the predator is reaching directly out to students through private messaging and direct chat/group boards.</p> <p><b>Jeffco is now providing families with the ability to monitor and control their student's internet and app activity on district devices at home using the free SecurlyHome app.</b> You can monitor and control your child's internet and app activity on district devices outside of the Jeffco Public Schools network. <a href="#">Click here for more information about SecurlyHome</a> and how to get started.</p>
