Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of **Monday, August 17th through Saturday, August 22nd**.

Here are some announcements for this week ...

Virtual Freshmen Orientation

An important message about your child's upcoming Virtual Freshmen Orientation has been sent to your child's Jeffco Gmail account (studentID@jeffcoschools.us). Please login into your child's Jeffco Gmail account and read the email. You should make sure to follow the steps outlined in the email. Thank you and we can't wait to meet the Class of 2024! DECA

DECA is on! We will compete virtually during the first semester. DECA is a student-led organization for Marketing Students which prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe. It is a Co-Curricular program, meaning DECA is an integral part of what we do in our Business and Marketing classes at Conifer High School. 9th graders can join our JV DECA program without taking a marketing class, but 10th, 11th & 12th graders must be in a class to participate. Students who are interested in more information or joining should check this out <https://tinyurl.com/y3h8n9mu> and sign up here <https://tinyurl.com/yae349k5>
