

## Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of **Monday, November 2<sup>nd</sup> through Saturday, November 7<sup>th</sup>.**

Here are some announcements for this week ...

### JCPH Announces New COVID-19 Mitigation Strategies to Help Protect Community

On Thursday evening, Jefferson County Public Health announced a series of new mitigation strategies to help curb the alarming spread of COVID-19 in the county. As a result of the new guidelines, the Conifer Public Library at Conifer High School is closed through November 29, 2020. In addition, Conifer parents and fans are not allowed to attend Conifer High School sponsored sporting events at Conifer or at any of the Jeffco Public School facilities.

The guidelines highlight six individual actions that, when combined at a collective level, make a big difference and help protect our community's health, safety and economy:

- Wear a mask to protect yourself and others.
- Watch your distance. Keep 6 feet or more apart. Avoid gatherings as much as possible.
- Wash your hands often. Scrub for 20 seconds with soap and warm water.
- Stay home if you're sick. Get well and don't spread germs.
- Be kind to your neighbors. Remember we're all working hard.
- Support local businesses. Keep them open by slowing the spread.

Thank you for your understanding! Let's work together to prevent the spread of COVID in our foothill communities!
