

Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for the week of **Monday, November 23rd through Saturday, November 28th.**

Here are some announcements for this week ...

Thanksgiving Break

Next week we celebrate Thanksgiving Break and there will be no school for staff and students.

The Conifer staff is thankful for the support we've received from our parents, students and the greater Conifer community. We've had very little disruption due to COVID cases and we really appreciate the effort our students have given to overcome obstacles and focus on learning throughout the hybrid and remote learning models.

Please enjoy your Thanksgiving! Be safe and take time to unplug and relax next week!

Remote Learning

If you have any questions about the current remote learning plan, click [HERE](#).

Google Calendar appointments

Students and teachers have requested a better format for students to access help from teachers. We understand that emails don't provide the quick response students need and teachers have become overwhelmed with emails. Therefore, we're recommending that students meet virtually with their teachers during Seminar and Friday Office Hours.

In this week's announcements are links to videos and written directions for students to schedule time to meet virtually with teachers. They are shared through [our Tech Support website](#) as well, which can be found on our main website and under our 100% Remote Learning Plan for families.

Here are video and written directions for students on where to find the appointment slot on their calendar and how to connect with their teacher during the appointment.

MASKerade Conifer Rotary Fundraiser

As a nonprofit, the Conifer Rotary Club continues to raise funds for community grants and high school senior scholarships (college and trade schools). This fall the club members have turned their mask crafting skills to help the Conifer Rotary Foundation raise money with a project called MASKerade, an online mask shop.

They need your help to get the word out. They have close to 300 masks on their website (<http://coniferfest.com/>) and would be grateful if you would share their MASKerade fundraiser with your extended family, friends, and anyone who might need a new mask.

Thank you for your support.
