

Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly update on news and information for Homecoming Week of **Monday, October 19th through Saturday, October 24th**.

Here are some announcements for this week ...

Health Safety and Academic Success of All Students

The recent positive COVID cases at Conifer serve as a reminder that students and staff need to continually monitor their temperature and signs of a cough, runny nose and/or sore throat. When an individual comes to school sick, it not only impacts that student and their family, it also impacts other students and their families. It especially impacts other students' access to teachers at school. Please help us prevent COVID cases at Conifer by monitoring your child's symptoms before they come to school.

Spring Semester Learning Preference Change Requests

In order to accommodate the needs of our students and families, Conifer will send home a Learning Preference Survey to families for spring semester on Monday, November 9th. Parents must complete the survey by Friday, November 20th and we plan to provide a parent response by Tuesday, December 22nd.

Early Releases and Dismissals

In an effort to prevent the spread of COVID, we request that students stay home the day of their appointment and engage in remote learning. In addition, we have a closed campus for Freshman and Sophomores, which means they need to stay in the building during the students' Study Hall class. Thank you for your continued support!
