

Conifer Weekly Announcements

Hello Conifer Family and Friends, this is Principal Paxton with your weekly announcements for the week of Tuesday, August 11th through Saturday, August 15th, 2020.

FALL SEMESTER INSTRUCTIONAL SCHEDULE

In preparation for the restart of school at Conifer High School, I am excited to share our hybrid schedule with our parents and students. Hopefully the following information will answer many of your questions and help with our students' transition back to school.

Unlike the spring semester, student and teacher engagement will follow a synchronous learning model where students and teachers will interact either online or in-person at the same time (i.e. Biology class at 9:00 a.m.). Students will be required to use their Chromebook or personal device to complete assigned tasks and assessments provided by the teacher.

Bus Transportation Update

Jeffco Transportation will be providing service for eligible riders only, by assigning eligible students a bus route. No secondary stops will be allowed. Bus drivers will not accept bus permission slips from students. Utilizing **Transfinder** (<https://tinyurl.com/y4nfe92d>) and place your child's name in the search box, each student will have an assigned bus route attached. If a student does not have an assigned bus stop, the student is probably not an eligible rider, their address reflects a P.O. Box, their address was entered incorrectly, or a bus route is still being worked on. **Please contact us with any questionable issues at 303-982-5215**

Freshmen Orientation – Friday, August 21st at 10:00 a.m.

Incoming Freshmen will have a virtual orientation with their Link leaders on Link Day, Friday August 21 at 10:00 a.m. The virtual Link Day will take place though a Link Google classroom, and the classroom code and directions for how to attend Link Day will be emailed to all Freshmen soon.
